

# Innovations for Imaging

➤ [siemens-healthineers.us/InnovationsforImaging](https://siemens-healthineers.us/InnovationsforImaging)

---

**Innovations '21 for Imaging registration is open from Monday, January 25, 2021 through Monday, July 5, 2021.**

**To register for the conference, a registration code is required.**

---

There are two payment registration options:

## Education Funds

If available, you may convert previously purchased, unused education funds toward attendance. Find out more by calling 1-984-228-4151, or sending an email to

✉ [educationcainnovation.team@siemens-healthineers.com](mailto:educationcainnovation.team@siemens-healthineers.com).

You will need to have your functional location/site ID number(s) available when you make the call. You will then be given special instructions on how to register for the conference.

## Registration Package

If you do not have educational funds, you will need to purchase a package to register for the symposium. Packages that include lodging and/or airfare are available. Options are listed on the back of this flyer. Please send an email to ✉ [clinicaleducation.team@siemens-healthineers.com](mailto:clinicaleducation.team@siemens-healthineers.com) or call 1-984-228-4151 for a registration code prior to registering for the symposium.

---

**In either option, you will be given a registration code and instructions. You may then proceed to register for the conference.**

Please do not register for the conference until you receive further instructions including your registration code. The symposium is open to customers of Siemens Healthineers. Siemens Healthineers reserves the right to question and/or refuse any registration. All registrations are subject to verification.

Full Conference Registration includes:

- Access to educational sessions for the appropriate program (managers, professionals, or combined)
- Innovations Showcase and General Session with keynote speaker
- Course materials to use during and after the meeting
- CE credits provided by ASRT for sessions attended (badge must be scanned to verify attendance)
- Scheduled networking events
- Breakfast and lunch on program days
- Access to the Innovations Mobile App during the event
- Ability to download presentation slides at the conclusion of the symposium

Note: One-day registrations include these items for that day only.

Registration Fees

Combined Program  
(Managers and Imaging Professionals)

Hotel and Airline Reservations

For packages that include hotel and/or airfare, reservations are handled by Siemens Healthineers based on the request made during the registration process. Hotel accommodations include hotel room and tax at the designated hotel only. Attendees are responsible for any other incidental charges to their hotel room and will be asked to provide a credit card upon check-in at the hotel for these expenses.

Please note that Siemens Healthineers is not responsible for weather-related and/or airline delay or cancellation-related expenses.

Transportation

Transportation to and from the hotel (including cab fares, rental cars, personal car mileage, etc.), parking fees, and meals outside of those offered as part of the Innovations symposium are not included in registration fees.

Evening-On-Your-Own Activities

Evening-On-Your-Own activities are not offered as part of the Innovations program. Therefore, any fees incurred for activities arranged by the attendee during this “free time” are the responsibility of the attendee.
