

Integrated Behavioral Health for Complex Patients: Roadmap, Tools and Technology

Presentation for the National Center for Conference - November, 2017

Jeffrey M. Ring, Ph.D. jring@healthmanagement.com

Elise Pomerance, M.D., M.P.H. elise.pomerance@iehp.org

Kru Vyas, Ph.D., M.B.A. drvvas@desertclinics.com

REFLECTION QUESTIONS: Building a System of Complex Integrated Care:

Who do you want on your patient care team?

What skills do you want them to possess?

How will you manage data to know if patients are improving and costing less?
